HISTORY / BACKGROUND

AUTHORIZATION OF JUNIOR ROTC

The enactment of Public Law 88-647 and codification in Title 10, U.S.C., Sec. 2031, authorized the military service secretaries to commission Junior Reserve Officers' Training Corps (JROTC) units at secondary schools that meet established criteria. Accordingly, the Secretary of the Navy has authorized the CMC to establish Marine Corps Junior Reserve Officers' Training Corps (MCJROTC) units throughout the United States.

PURPOSE OF MCJROTC

The purpose of the Marine Corps Junior Reserve Officers' Training Corps program, commonly referred to as "Junior ROTC," is to instill a value of citizenship, service to the United States, personal responsibility, and a sense of accomplishment. It does not seek any particular commitment to the military. The current legal basis for Junior ROTC is Section 2031 of Title 10, United States Code. That section is implemented by the Department of Defense. The governing directive, 1205.13 "ROTC Program for Secondary Educational Institutions," is dated June 16, 1982.

The Department of Defense funds and sponsors JROTC through the Secretaries of the Military Departments. MCJROTC is funded and sponsored through the Office of the Secretary of the Navy. Legally, the JROTC program offered in a high school must be no less than three years. Each year of the program contains 180 hours of leadership instruction and application. The program may extend over four years. Your program meets these requirements. Similar programs are conducted nationwide by the other three military services.

MISSION OF MARINE CORPS JUNIOR ROTC

1. Develop informed and responsible citizens.
2. Develop leadership skills.
3. Strengthen character.
4. Promote an understanding of the basic elements and requirements for national security.
5. Help form habits of self-discipline.
6. Develop respect for, and an understanding of, the need for constituted authority in a democratic society.

ADMINISTRATION / ORGANIZATION

ENROLLMENT REQUIREMENTS

1. To be eligible for enrollment and continuance in a MCJROTC unit, the student must:
 - a. Be enrolled in, and attending, a regular course of instruction at the school where the unit is located.
 - b. Be a citizen of the United States or U.S. National or alien lawfully admitted to United States for permanent residence and in a grade above the 8th grade.
 - c. Be of good moral character as determined by the principal of the school and the SMI.
 - d. Be physically qualified to participate fully in the school's physical education program. Current annual school physical evaluations, as stated above, are mandatory for cadet participation in the program.

DISENROLLMENT

Cadets may be disenrolled from the MCJROTC Program for the following reasons:

1. Academic Failure – You must pass MCJROTC in order to remain a part of it. However, disenrollment is not automatic. Each case is reviewed and handled separately.
2. Ineptitude – Students who consistently demonstrate an inability to develop leadership skills may be disenrolled.
3. Poor Attitude – Any cadet who consistently displays a poor attitude regarding the MCJROTC program may be disenrolled.

CLASSROOM PROCEDURES

1. At the bell, the class leader will call the class to attention. The class will come to attention and remain at the position of attention.
2. At the direction of the class leader or designated representative, the class will recite the pledge of allegiance.

3. Upon completion of roll call, the class commander will give the command "Ready, seats". The class will sit at the position of attention until given the command, "At ease". Upon the command of "at ease", the students may relax at their desks, however, no talking is allowed.
4. No food, drink or gum is allowed in the classroom area unless authorized by the SMI/MI.
5. Cadets must raise their hand to be recognized.
6. When recognized or asked a question, cadets will stand up while speaking.
7. Use "Sir" or "Ma'am" while addressing or answering the SMI or MI.
8. When asking for permission or assistance, say "Please" first.
9. Do not interrupt the SMI's or MI's conversation. Wait for acknowledgment and then say, "Excuse me, Sir/Ma'am".
10. When a request is granted, say "Thank you".
11. When the ending class bell rings, the instructor will call on the class leader to dismiss the class. Once all students are in their seats, the class commander will call the class to attention and give the command of "Dismissed". At this time, cadets may depart the classroom for their next class.
12. Check the desk for personal items and trash prior to leaving class. The room will be clean before leaving. Each class commander will be responsible for care and cleaning of the classroom prior to dismissing the class.
13. Bring textbooks, notebooks, and pen or pencil to every class. Many times cadets will be required to take notes.
14. When entering the classroom, go directly to your seat. All socializing will take place during the passing period before and after class.
15. All head calls (bathroom breaks) will be made before or after class. No head calls will be authorized during class except in cases of emergency.
16. Uniforms will be worn as directed by the SMI. Green PT shirts and shorts, or sweatpants, is the PT uniform. Each cadet is responsible for reading the daily information board in order to keep informed on what is going on. Not reading the board is no excuse for not knowing what is required of you during the next class period.

17. No cadets are allowed in the Cadet Admin Office, Armory, or Supply Area without specific approval of the instructors.
18. The office telephones are business phones only. They may, if absolutely necessary, be used by cadets with permission of the SMI or MI. No routine calls may be made from these phones. Calls may be made once permission is granted and must be limited to (2) two minutes.
19. Cadets are expected to conduct themselves with proper decorum at all times in school, and especially within the MCJROTC spaces.

ATTENDANCE

Cadets are expected to attend all JROTC functions. This includes everything from daily classes to extracurricular activities and special events. Cadets should anticipate, as much as possible, when they will not be able to attend a JROTC requirement in order to let the instructors know in advance.

CONDUCT, BEARING & DISCIPLINE

SCHOOL CITIZENSHIP

Marine Corps JROTC cadets are high school students. They are fully expected to conduct themselves in accordance with all school rules and regulations. Any cadet failing to maintain higher standards of conduct and citizenship will not be permitted to remain in the Marine Corps JROTC Program.

PUBLIC DISPLAYS OF AFFECTION

Cadets will not display any gestures of affection in school or on school grounds. This holds especially true when in uniform and pertains to kissing, embracing, holding hands, or other forms of intimate behavior. Affection between a man and a woman should be a private matter, and as such any displays of affection should be done in private. Cadets who think they are showing off their maturity by kissing and hugging in public are only displaying a lack of maturity and risking a lower Marine Corps JROTC leadership grade for their conduct.

DAILY CADET CONDUCT

Cadets arrive on time for class; greet the instructor on the way into class.

Cadets contribute to the class with appropriate answers to questions.

Cadets wear appropriate clothing.

Cadets strive to improve themselves continuously.

Cadets honor their word.

Cadets demonstrate initiative by doing things without being told to.

Cadets remain loyal to their families, fellow cadets and students, their school and their community.

Cadets treat others with dignity and respect regardless of race, religion or gender.

Cadets use appropriate language and do not curse or swear.

Cadets do not use drugs.

Cadets offer suggestions to improve the system.

Cadets maintain a can-do attitude.

Cadets respect public and private property .

Cadets respect public laws and regulations.

CURRICULUM / ACADEMICS

SCHOOL ACADEMICS

All Marine Corps JROTC cadets are required to maintain a satisfactory grade point average (GPA) in all their school subjects in order to remain in the MCJROTC program. Failure to maintain a minimum GPA, as determined by the SMI and approved by the principal, will put the cadet on immediate probation during the next semester. If this happens the cadet may be limited in what activities he or she may participate. If the cadet fails to raise his or her grade to the required level during the next semester, the cadet will be suspended from MCJROTC and required to turn in all uniforms and stop any participation in MCJROTC. If the cadet raises his or her GPA during the probationary period, the cadet will be allowed to resume full activities.

CADET CURRICULUM

Leadership Education is the name of the MCJROTC curriculum because we use the tenants of Marine Corps leadership to teach and develop a sense of responsibility, loyalty, discipline and character in cadets. Throughout the four years of the program, the Leadership Education curriculum is presented by way of five different categories of instruction. Those categories are: (1.) Leadership, (2.) Citizenship, (3.) Personal

Growth and Responsibility, (4.) Public Service and Career Exploration, and 5.) General Military Subjects.

CADET PARTICIPATION

Cadets of the MCJROTC Program will participate in a Leadership Education level as dictated by the number of years in the program the cadet has completed. Naturally, LE-1 is for those students entering the program for the first time, while LE-4 is for the cadets who have successfully completed LE-I through LE-3.

1. LEADERSHIP EDUCATION I (LE-I)

The first year of the program provides cadets with an introduction to both leadership and citizenship. The first year also gives the new cadets exposure to personal growth and responsibility and establishes a foundation of military structure and tradition.

2. LEADERSHIP EDUCATION II (LE-II)

The second year continues the leadership and citizenship classes of LE-I. During LE-II the students receive instruction in General Military Subjects with more structure and tradition than in LE-I, as well as the introduction of civilian marksmanship training and land navigation training with the map and compass. This year also provides additional learning experiences in personal growth and responsibility, as well as citizenship.

3. LEADERSHIP TRAINING III (LE-III)

In LE-III, cadets will begin to use their leadership training as they assume positions of increased authority and responsibility within the program. In this year also, detailed instruction on personal finances is presented, as well as other preparation for life beyond high school.

4. LEADERSHIP TRAINING IV (LE-IV)

LE-4 is a year when cadets really bring together all their previous learning experiences in the MCJROTC program. Senior cadets will conduct formations and inspections, as well as supervise certain training events with younger cadets. LE-4 cadets continued to be challenged academically with requirements for research projects and independent studies and progress reports.

GRADING

Cadets of Marine Corps JROTC will be graded in multiple areas of the program. The academic curriculum portion of the program will be graded very much like other traditional high school classes. However, as part of their overall MCJROTC grade, cadets will also be observed, evaluated and graded on their leadership performance. Leadership performance will encompass carrying out one's cadet duties and it will also cover participation in citizenship activities and other MCJROTC activities.

RANK & PROMOTION

Cadet Rank Structure.

The rank structure used in Marine Corps JROTC is mirrored after the officer and enlisted ranks in the U. S. Marine Corps. The following ranks (with corresponding billets) are utilized, depending on the size of the unit.

Cadet Promotions

1. Promotions are an honor and a privilege. Those cadets receiving promotions must possess the prerequisite abilities and skills. Primary authority for promotions rests with the Senior Marine Instructor. Cadets returning from the previous school year will normally be promoted to a higher rank, providing their last quarter conduct and grades meet the criteria below.
 - a. Promotions are based on demonstrated leadership ability, academic, and disciplinary excellence. The minimum standards for any promotion is to have a

current grade point average (GPA) of “2.0”, and to have passed the Youth Physical Fitness Test (YPFT) in the current grading period.

- b. Cadets being considered for promotion to Cadet Corporal or Cadet Sergeant, must possess a current GPA of “2.0” or higher. For promotion to Cadet Staff Sergeant or higher, the cadet must have a current GPA of “2.5” or higher. All cadet officers and staff noncommissioned officers are required to maintain a minimum GPA of “2.5” to retain their rank.
 - c. Cadet officers and staff noncommissioned officers that do not meet the minimum GPA of “2.5” will be placed in a probationary status for the following semester. The cadet will have one grading period to meet the standard for rank retention or be considered for reduction. Cadets failing to maintain a GPA of “2.0” may not hold a rank higher than Cadet Private.
 - d. Cadets failing to perform their duties in an efficient manner will be considered for reduction.
 - e. Requests for waivers to the above promotion criteria will be submitted to the Senior Military Instructor.
2. Cadets may be promoted to commissioned officer ranks during their senior year; staff noncommissioned officer ranks during their junior year; and noncommissioned officer ranks during their sophomore year. Cadets in the ninth grade will normally serve in the ranks of Cadet Private through Cadet Lance Corporal.
3. Reappointment
- a. Cadets who departed for disciplinary reasons or were withdrawn in lieu of disciplinary action, and accepted for reenrollment will be appointed Cadet Privates, regardless of rank previously held.
 - b. Cadets who departed for other reasons and accepted for reenrollment may be appointed to a grade one rank lower than that previously held if absence from the program was a period of one school year or less. Periods greater than one school year will normally result in a returning rank of Cadet Private.

ACTIVITIES / EXTRACURRICULAR

ACTIVITIES

DRILL

Drill is an integral part of the Marine Corps Junior ROTC program. Drill teaches good discipline, enhances concentration and builds esprit de corps in a unit. In addition to being a part of the MCJROTC cadet curriculum, a drill team and drill competition is a very worthwhile cadet activity. Drill competition may be conducted from the local to the very competitive national level. Not all cadets will qualify to be a member of the Marine Corps JROTC drill team. Membership on the drill team requires a great deal of dedication and practice.

1. All members of the MCJROTC Drill Team will conduct themselves in a manner as to not bring any discredit upon themselves or the drill.
2. All members are solely responsible for their uniform and the maintenance of their uniform. Failure to do so will result in reduction of rank, disqualification from upcoming trip / competitions and finally suspension from the team.
3. Alcohol, drugs and tobacco are strictly prohibited!
4. Team members must maintain the same academic standards as any other Varsity Sport to maintain their eligibility to compete.
5. Treat all weapons with respect and proper weapons handling techniques.
6. Profanity will not be tolerated.
7. Remember that you are what you are perceived to be and first impressions are lasting impressions!

8. Un-sportsman like conduct WILL NOT BE TOLERATED!
9. Treat all faculty, staff and coaches with RESPECT.
10. Any infractions of this code may result in suspension or expulsion from the team.

MARKSMANSHIP

Marksmanship is an exciting and rewarding sport, yet it demands the ultimate in discipline and concentration. A cadet does not have to be big or strong or fast to be an outstanding marksman. Some Marine Corps JROTC units are not able to have marksmanship as a part of their curriculum. However, those units which are able to conduct marksmanship training have a great opportunity to learn a sport which they can enjoy the rest of their life. Cadets must always realize that while firing an air rifle is a challenging and fun activity, it is never a game and must always be taken seriously. Safety must always be first and foremost in Marine Corps JROTC marksmanship. This applies to marksmanship in the classroom curriculum, as well as on a competitive marksmanship team.

MARKSMANSHIP WEAPONS PROCEDURES

1. Weapons will at all times be physically controlled and accounted for.
2. The Military Instructor is responsible to the Senior Marine Instructor for the control of the weapons in their charge.

Inventory Control

1. Monthly: The last Friday of each month, a serialized inventory of all weapons will be conducted.
2. Weekly: All weapons will be physically sighted each Friday.
3. If the Armory Room is opened, a count will be conducted at the end of each class and before lock-up at the end of the school day.
4. Discrepancies: Will be immediately reported to the SMI.

Issue Procedures

1. Cadets to be issued weapons will form single line outside the Arms Room. Order in this line will be maintained by the Class Commander.
2. Once in the hands of the Cadets, the Class Commander will assist the MI in seeing that all weapons are physically controlled at all times.
3. If weapons are used, the Class Commander will assist the MI in returning weapons to the Arms Room and conducting a count at the end of each class period.

Care and Cleaning

1. Weapons will be turned in to the Arms Room in a clean condition.
2. Care of weapons is an all-hands job.
3. Cleaning of weapons will be done under the supervision of the Instructor Staff.
4. Marksmanship weapons will be cleaned by the rifle team.
5. On a weekly basis, the SMI will sight all weapons for cleanliness.

MARKSMANSHIP QUALIFICATION AWARDS

Marksmanship Qualification Awards. JROTC cadets who participate in rifle marksmanship instruction are eligible to earn qualification badges. The badges designate three qualification levels, Marksman, Sharpshooter and Expert. The Expert badge is the highest ranking and most difficult to earn. The badges signify that the cadets who earn them have demonstrated the knowledge and skill to handle rifles safely and have mastered basic rifle marksmanship skills to achieve required scores in qualification firing tests. JROTC cadets are authorized to wear marksmanship qualification badges on their uniforms.

Qualification Course Standards. The following standards apply to the conduct of unit qualification firing:

1. Rifles. All qualification will be with the Sporter Air Rifle.
2. Distance. Air rifle qualification firing must be done at a distance of 10 meters (33 feet).
3. Targets. Air rifle qualification firing will be done on the AR 5/10.
4. Clothing and Equipment. During qualification firing, a sling may be used in the prone and kneeling positions, a glove may be worn on the support hand in any position and a kneeling roll may be used in the kneeling position. Shooting jackets may not be worn when qualifying with the air rifle.

Integration with JROTC Marksmanship Curriculum. Cadets must receive marksmanship instruction before they do qualification firing. These marksmanship qualification standards and procedures are designed for qualification firing to be done in conjunction with the teaching in the MARINE CORPS JROTC Leadership Education curriculum. Qualification firing may be done in stages:

1. Instruction in gun safety, the operation of the rifle, the standing position, the technique of firing a shot, sight adjustments and scoring, must be completed before qualification firing is done in any firing position. After this lesson is completed, qualification firing in the standing position may be done.

2. After position firing lessons are completed, qualification firing in the standing and prone positions may be done. To qualify for the Marksman and Sharpshooter badges, qualification firing must be done in those two positions, standing and prone.
3. After qualification firing in the standing and prone positions is completed, the kneeling position may be taught and fired for qualification. To qualify for the Expert badge, qualification firing must be done in all three positions, prone, standing and kneeling.

Qualification Scores. To receive a qualification badge, cadets must attain the following scores in qualification firing that is supervised by a unit instructor.

<u>Qualification Badge</u>	<u>Firing Positions</u>	<u>Air Rifle AR-5/10 Target</u>
Marksman	10 shots standing 10 shots prone	110-129
Sharpshooter	10 shots standing 10 shots prone	130-200
Expert	10 shots prone 10 shots standing 10 shots kneeling	221-300

4. Qualification Firing Procedures. The unit instructor will designate the times when cadets may do qualification firing. Cadets may be given multiple opportunities to fire qualifying scores.
5. To earn the Marksman and/or Sharpshooter badge, a cadet will be credited with the total of the best 10-shot standing and the best 10-shot prone position scores fired during qualification firing periods designated by the instructor. The standing and prone scores count for the Marksman or Sharpshooter badges do not have to be fired at the same time or on the same day.
6. To earn the Expert badge, a cadet must fire a 30-shot three-position score (10-shots prone, 10-shots standing and 10-shots kneeling, all fired at the same time) with the following sequence and time limits:

<u>Stage Time</u>	<u>Limit</u>
Preparation Period	10 minutes
Prone position	15 minutes
Changeover to standing	5 minutes
Standing position	20 minutes
Changeover to kneeling	5 minutes
Kneeling position	15 minutes

Practice or sighting shots may be fired in each position before record shots are fired, but any sighting shots and the 10 record shots must be fired within the time limit for that position.

PHYSICAL TRAINING

A physical fitness test will be administered twice annually and is one of the requirements for promotion in rank. While it is the cadets' primary responsibility to be able to pass the Youth Physical Fitness Test (YPFT), every effort will be made to properly prepare cadets to obtain a minimum passing score before the official test is conducted.

Classification: The following classification of total scores will be utilized to establish standards for first class, second class and third class participants.

1 st Class	350 – 500 points
2 nd Class	250 – 349 points
3 rd Class	150 – 249 points
Failing	Below 150 points

Events:

Sit-ups

Push-ups

Pull-ups (male) or flexed arm hang (female)

Broad jump

Shuttle run 300 yards / 220 run.

Awards: All cadets scoring more than 250 points will be awarded the Physical Fitness Achievement Ribbon, as well as the National Youth Physical Fitness Program Certificate.

Marine's Hymn

*From the Halls of Montezuma,
To the shores of Tripoli,
We will fight our country's battles
In the air, on land and sea.
First to fight for right and freedom,
And to keep our honor clean;
We are proud to claim the title of
UNITED STATES MARINE.*

*Our flag's unfurled to every breeze
From dawn to setting sun.
We have fought in every clime and place
Where we could take a gun.
In the snow of far off northern lands
And in sunny tropic scenes,
You will find us always on the job
The UNITED STATES MARINES*

*Here's health to you and to our corps
Which we are proud to serve.
In many a strife we've fought for life
And never lost our nerve.
If the Army and the Navy
Ever look on Heaven's scenes,
They will find the streets are guarded by
UNITED STATES MARINES*
